

SME-related policy measures adopted, implemented or announced in 2021

Greece

Title of the measure (national language)	Title of the measure (English translation)	Implementing body	Adopted / implemented / announced as part of the 'National Recovery and Resilience Plan' (Yes / No)	Status (Adopted or implemented or announced)	Date of adoption/ implementation or announcement (DD/MM/YYYY)	General description (objectives / key features / budget - if applicable, and weblink to online source)
ENVIRONMENTAL ASPECTS OF SUSTAINABILITY						
Σχέδιο Νόμου με τίτλο «Αναπτυξιακός Νόμος – Ελλάδα Ισχυρή Ανάπτυξη»	Draft Law entitled "Development Law – Greece Strong Growth"	Ministry of Development and Investment	No	Announced	03/11/2021	A draft Law under public consultation until the 17 th of November 2021 is aiming, through its 13 priority areas, to promote the economic development of the country by providing incentives to specific activities and sectors, in order to achieve the digital and technological transformation of companies, the green transition, the creation of economies of scale, the support of innovative investments and those seeking to import new

						technologies of "Industry 4.0", robotics and artificial intelligence. More information on this policy measure can be found here .
Sporos Platform	Sporos Platform	Hellenic Development Bank of Investments	No	Implemented	11/2019	The Sporos Platform is the first "Green" Fund to be officially approved in Greece with €21 million under the "Green Greek Funds call" of the Hellenic Development Bank of Greece. Sporos aims to become the first platform for impact investment and collaboration that adds value to SMEs in Greece and Southeastern Europe, with a focus on the Circular Economy. It utilizes mezzanine sustainable financing tools, combined with consultancy services and environmental, social and governance (ESG) and sustainable development goal (SDG) metrics. More information can be found here and here .
Αμοιβαίο Κεφάλαιο Επιχειρηματικών Συμμετοχών με τίτλο «European Sustainable Investments Fund (Eu.S.I.F.)»	European Sustainable Investments Fund (Eu.S.I.F.)	Hellenic Development Bank of Investments (EATE)	No	Announced	15/06/2021	This is the first "green" Mutual Fund of Business Participations, in which EATE participates. It has an initial capital of €50 which could rise to €70 million. Eu.S.I.F. is the 100% subsidiary of Sirec Energy S.A. and will invest an average of €3-7 million per project. More information can be found here .
«Εξοικονομώ επιχειρώντας»	"Energy and Entrepreneurship"	Ministry of Development and Investment	Yes	Announced	13/09/2021	This programme is being announced as part of Priority Axis 1.2 "Renovate" of the National Recovery and Resilience Plan and involves actions that improve the energy

							efficiency of SMEs. This will be achieved by saving at least 30% through energy upgrading of buildings, production processes, heat recovery systems within production processes, installation of "smart" energy systems, etc. The initial total budget of this programme is envisaged to be €450 million. More information can be found here and here .
SOCIAL ASPECTS OF SUSTAINABILITY							
Έργο «SHARE: Προωθώντας τη συμφιλίωση μεταξύ επαγγελματικής και προσωπικής ζωής στις επιχειρήσεις και την ισότιμη κατανομή της φροντίδας μεταξύ αντρών και γυναικών»	Project "SHARE: Promoting reconciliation between business and personal life in business and the equal distribution of care between men and women"	Ministry of Labor & Social Affairs, General Secretariat for Demographic & Family Policy & Gender Equality	No	Implemented	2020		The project aim to address traditional gender roles within the family and to promoting reconciliation between work and personal life, with an emphasis on the corporate work environment. In addition, it takes into account the strategic commitment of the European Commission (2016-2019) with the initiative for work-life balance, as well as national law 4604/2019 on the promotion of substantive gender equality which stipulates that it must be developed specifically criteria from the General Secretariat for Demographic & Family Policy & Gender Equality (G.G.D.O.P.I.F) to reward companies that promote gender equality. More information can be found at: https://share.isotita.gr/
Πρόγραμμα « Ideas Powered for Business SME Fund»	Action Ideas Powered for Business SME Fund»	Ministry of Development & Investments, General Secretariat of Commerce & Consumer, Hellenic	No	Implemented	2021		Intellectual property protection is essential in the digital age. It's the only legal way to avoid copying or exploiting an SME's unique ideas, products or services. Intellectual property

		Industrial Property Organisation				<p>protection can cover many different assets, such as trademarks, designs, patents, corporate identities, products, services and processes. The Fund has allocated €20 million for the year 2021 to subsidize SMEs based in the European Union, funding 50% of the basic fees for applying for an industrial design and trademark (national or Community) and by 80% for the use of the IP scan service, in all the national offices it is offered. The aim of the project is to encourage SMEs to protect their intellectual property rights (IP) and to obtain the maximum possible benefit from them. Each SME can receive compensation of up to €1,500 in the form grant to support these services. There were 72 applications from Greece in January and the country was 6th in the EU, while in the October window it reached 99 applications. More information can be found at:</p> <p>https://www.euipo.europa.eu/ohimpportal/el/online-services/ideas-powered-for-business & https://euipo.europa.eu/ohimpportal/el/online-services/sme-fund</p>
