Sadarbība ar CERN un MIT	Cooperation with the European Organization for Nuclear Research (CERN) and the Massachusetts Institute of Technology (USA)	Ministry of Education and Science	No	Implemented	14/09/2021	A memorandum of cooperation was signed with one of the world's leading universities of technology - Massachusetts Institute of Technology (MIT). This will enable Latvia to join the global community of academics, technology experts, researchers and policy experts in higher education institutions and to build an innovation and research

						<p>ecosystem in Latvia with the support of MIT. EU funds in the amount of 700 thousand euros are planned for the implementation of these goals.</p> <p>Support from EU funds in the amount of 300 thousand euros for the implementation of the CERN Latvian National Contact Point action plan, including Latvia's participation in several CERN experiments (CMS, MEDICIS) will be available for Latvian scientists and entrepreneurs who are involved in joint international research projects.</p> <p><a href="https://www.izm.gov.lv/lv/jaunums/inovaciju-un-petniecibas-attistiba-sadarbiba-ar-ern-un-masacusesas-tehnologiju-institutu">https://www.izm.gov.lv/lv/jaunums/inovaciju-un-petniecibas-attistiba-sadarbiba-ar-ern-un-masacusesas-tehnologiju-institutu</a></p>
Zinātnes, tehnoloģijas un inovācijas attīstības un atbalsta pamatnostādnes Latvijā līdz 2027. gadam	Guidelines for Science, Technological Development and Innovation for 2021-2027	Ministry of Education and Science	No	Adopted by the Cabinet of Ministers	13/04/2021	<p>The main directions for action to achieve the strategic goals set in Guidelines by 2027:</p> <p>1.increase the intensity of research and development (R&amp;D), including measures to develop research excellence, digitally transform the R&amp;D system and improve institutional governance, and increase the social and economic value of research.</p> <p>2. to ensure the necessary development of research human capital, transfer of knowledge, skills, competencies and technologies, and development and improvement of an</p>

						<p>appropriate regulatory framework.</p> <p>3.Improved knowledge and technology transfer through the digital transformation of the R&amp;D system, which includes streamlining the administrative and coordination processes of universities and research institutes, developing an open science culture, making research data and results widely available and usable in society, and fostering business and public sector R&amp;D cooperation.</p> <p>4.The management of the R&amp;D system has been improved by strengthening the administrative, organizational and analytical capacity of the Latvian Science Council and the Latvian Investment and Development Agency in the implementation of science and technology development policy.</p> <p><a href="https://www.izm.gov.lv/lv/jaunums/noteikti-zinatnes-tehnologijas-un-inovacijas-attistibas-un-atbalsta-virzieni-latvija-lidz-2027-gadam">https://www.izm.gov.lv/lv/jaunums/noteikti-zinatnes-tehnologijas-un-inovacijas-attistibas-un-atbalsta-virzieni-latvija-lidz-2027-gadam</a></p>
Programma neliela apjoma grantu shēmā "Dzīves kvalitāti atbalstošu tehnoloģiju izstrāde" projektu konkurss	Small grant scheme "Development of Welfare Technologies" Call for Proposals	Latvian Investment and Development Agency (LIAA) in cooperation with Ministry of Culture	No	Implemented	1/07/2021	<p>Through this small grant scheme, entrepreneurs have the possibility to attract co-financing of up to 130 000 euros.</p> <p>The small grant scheme aims to support experimental development, testing and certification of a new product or</p>

						<p>technology, to strengthen intellectual property rights, as well as financing the knowledge transfer activities with project partner to develop a new product or technology. During the implementation of the project, a prototype of one new product or technology must be developed, that is not intended for commercial needs.</p> <p>The total available funding for this programme is EUR 1 200 000. The available grant amount for one project is between EUR 10 000 and EUR 130 000, but the aid intensity can vary from 35% to 70%.</p> <p><a href="https://www.liaa.gov.lv/en/article/grants-available-developing-welfare-technologies-support-130-000-euros">https://www.liaa.gov.lv/en/article/grants-available-developing-welfare-technologies-support-130-000-euros</a></p>
<b>SKILLS</b> (e.g. vocational education and training, forecasting skill needs, measures to adapt the vocational training systems to the requirements of the labour market, etc.).						
Paplašināts atbalsts IKT, netehnoloģiskajām un investoru piesaistes apmācībām	Extend support opportunities for ICT, non-technological and investor training	Ministry of Economics and Latvian Investment and Development Agency	No	Adopted by Cabinet of Ministers	06/07/2021	<p>The amendments to Cabinet of Ministers Regulations on Operational Program "Growth and Employment" 1.2.2. Specific support objective "To promote the introduction of innovations in enterprises" 1.2.2.3. The measure "Support for ICT and non-technological training, as well as training to facilitate investor attraction" envisage:</p> <p>1. Support for training of investors' employees by providing consultations to medium-sized enterprises for the</p>

						<p>development of automation and robotics solutions, not exceeding a total of 25,000 euros;</p> <p>2. For high-level training;</p> <p>3.Support for the transfer of good practice by providing advice to small (micro), small and medium-sized enterprises for the development of automation and robotics solutions, up to a total of EUR 25 000.</p> <p>At the same time, the government increased the intensity of funding to the maximum possible within the LCCI project, motivating businesses to provide non-technological training to their employees with more support from EU funds. Within the framework of the LCCI project , the intensity of financing for training of its employees has been increased by 20% - for small (micro) and small companies - 70% ; for medium-sized enterprises - 60 %; for large companies - 50% in total</p> <p><a href="https://www.em.gov.lv/lv/jaunums/paplasinatas-atbalsta-iespejas-ikt-netehnologiskam-un-investoru-piesaistes-apmacibam">https://www.em.gov.lv/lv/jaunums/paplasinatas-atbalsta-iespejas-ikt-netehnologiskam-un-investoru-piesaistes-apmacibam</a></p>
Grozījumi Profesionālās izglītības likumā	Amendments to Vocational Education Law	Ministry of Education and Science	No	Adopted by Cabinet of Ministers	7/01/2021	The amendments envisaged that in the future it will be possible to issue a state-recognized document for incomplete acquisition of a vocational secondary education

						<p>program, which provides an opportunity to work in the chosen profession. Currently, a certificate is issued for the acquisition of the module, which is not specified as a state-recognized document for the acquisition of a part of the educational program.</p> <p><a href="https://www.saeima.lv/lv/aktualitates/saeimas-zinas/29560-saeima-konceptuali-atbalsta-grozijumus-elastigakas-profesionalas-izqlitibas-sistemas-nodrosinasanai">https://www.saeima.lv/lv/aktualitates/saeimas-zinas/29560-saeima-konceptuali-atbalsta-grozijumus-elastigakas-profesionalas-izqlitibas-sistemas-nodrosinasanai</a></p>
Tehniskā atbalsta instrumenta projekta "Atbalsts darba devējiem prasmju attīstīšanas veicināšanā Latvijā"	Technical Assistance Instrument project "Support to Employers ( <i>"Support employers in promoting skills development in Latvia"</i> )"	Ministry of Education and Science	No	Announced	13/07/2021	<p>The aim of the project "Support to Employers in Promoting Skills Development in Latvia" is to develop a new regulatory framework that will support and stimulate employers to increase the skills of their employees or promote retraining. The development of such a support system for employers is envisaged by the delegation of the Education Law to the Cabinet of Ministers as well as the findings of the OECD and the European Commission for Latvia.</p> <p><a href="https://www.izm.gov.lv/lv/jaunums/veidos-darba-deveju-atbalsta-sistemu-savu-darbinieku-prasmju-pilnveidei">https://www.izm.gov.lv/lv/jaunums/veidos-darba-deveju-atbalsta-sistemu-savu-darbinieku-prasmju-pilnveidei</a></p>
<b>ADMINISTRATIVE BURDEN</b>						
Zemesgrāmatu nodevu samazināšana	The Reduction of Land Register Fees	Ministry of Justice	No	Implemented	01/07/2021	<p>As of 1 July 2021, the percentage rate of state fees for securing property rights in the Land Register in certain cases of expropriation for natural persons and companies are reduced. The Land Register fee for a natural</p>

						<p>person will be reduced from the currently set 2% to 1.5% of the property value, while for a company for the strengthening of an apartment property from 6% to 2% of the property value.</p> <p><a href="https://www.em.gov.lv/lv/jaunums/zemesgramatu-nodevu-samazinasana-sekmes-nekustama-ipasuma-tirgus-konkuretspeju-un-jaunu-majoklu-buvniecibu-latvija">https://www.em.gov.lv/lv/jaunums/zemesgramatu-nodevu-samazinasana-sekmes-nekustama-ipasuma-tirgus-konkuretspeju-un-jaunu-majoklu-buvniecibu-latvija</a></p>
Vienkāršots risinājums mikrouzņēmuma nodokļa nomaksai	Simplified Tax Payment Procedures for Micro-enterprise Taxpayers (MUNs)	Ministry of Finance and State Revenue Service	No	Implemented	01/04/2021	<p>MUN declaration forms will be filled in the State Revenue Service (SRS) Electronic Declaration System (EDS). When submitting the declaration for the first quarter, micro-enterprises must indicate the quarterly turnover by month, and the resulting amount of MUN will be calculated automatically by the EDS.</p> <p><a href="https://www.fm.gov.lv/lv/jaunums/mikrouzņemumu-nodokļa-deklarācijas-kļuvušas-vienkarsakas">https://www.fm.gov.lv/lv/jaunums/mikrouzņemumu-nodokļa-deklarācijas-kļuvušas-vienkarsakas</a></p>
Saimnieciskās darbības konta izveide	Creation of Operating Income Account (OIA)	Ministry of Finance and State Revenue Service	No	Adopted by Saeima	16/06/2021	<p>Micro-enterprise taxpayers will no longer be required to calculate and make tax payments into the state single tax account. Instead, tax will be calculated by the State Revenue Service (SRS) based on revenue deposited into the OIA, and the bank will automatically transfer it to the single tax account.</p> <p>This micro-enterprise tax payment solution is a voluntary option that banks can opt into in collaboration</p>

						<p>with SRS by registering the OIA directly in the Electronic Declaration System (EDS) for micro-enterprise tax payments. Micro-enterprise taxpayers can use the new service as soon as their bank has registered the account in EDS.</p> <p><a href="https://www.vid.gov.lv/en/latvia-introduces-changes-legislation-simplify-paying-taxes-and-encourage-transparency-and">https://www.vid.gov.lv/en/latvia-introduces-changes-legislation-simplify-paying-taxes-and-encourage-transparency-and</a></p> <p><a href="https://www.fm.gov.lv/lv/jaunums/mazajiem-uznemejiem-vienkarsos-nodokla-nomaksas-risinajumu">https://www.fm.gov.lv/lv/jaunums/mazajiem-uznemejiem-vienkarsos-nodokla-nomaksas-risinajumu</a></p>
<b>REGULATORY OBSTACLES</b>						
Zaļais koridors investīciju piesaistei	Green Corridors for Efficient Attraction of Local and Foreign Investors	Ministry of Economics and Latvian Investment and Development Agency	No	Implemented	04/02/2021	<p>Green corridors will be created for more efficient attraction of local and foreign investors to reduce bureaucracy and speed up administrative processes for high value-added investment projects.</p> <p>Investment projects will be able to take advantage of the "green corridor" if investments are made in one of the priority sectors and project meet three of the four qualification criteria: 1. the amount of planned investments - 5 million euros (in Riga - 10 million euros); 2. newly created jobs - 75 jobs (in Riga - 100 jobs), or 50 new jobs (in Riga - 75 jobs) with the average salary; 3. export volume - 3 million euros (in Riga - 5 million euros) or</p>

						<p>replacement of imports in the value of 500,000 euros;  4. the company's investment in research and development, including employee training, is at least 250,000 euros.</p> <p><a href="https://www.lsm.lv/raksts/zinas/ekonomika/prioritaro-investiciju-projektu-izskatisana-mazinas-birokratiju.a391593/">https://www.lsm.lv/raksts/zinas/ekonomika/prioritaro-investiciju-projektu-izskatisana-mazinas-birokratiju.a391593/</a></p> <p><a href="https://www.liaa.gov.lv/en/article/minister-economics-latvia-new-fast-track-green-channel-will-significantly-contribute-latvias-economic-breakthrough">https://www.liaa.gov.lv/en/article/minister-economics-latvia-new-fast-track-green-channel-will-significantly-contribute-latvias-economic-breakthrough</a></p>
Jauns Uzņēmējdarbības vides uzlabošanas plāna darbības modelis	Creation of a New System of the Business Environment Improvement Action Plan	Ministry of Economics	No	Adopted by the Cabinet of Ministers	7/09/2021	<p>The new process to identify and resolve necessary measures to improve business environment through the Business Environment Improvement Action Plan (hereinafter - the Plan) -has been developed.</p> <p>The new process envisages that the Latvian Chamber of Commerce and Industry, the Latvian Employers 'Confederation and the Foreign Investors' Council in Latvia submit proposals on the necessary measures to improve the business environment to the Ministry by 15 March each year. The proposals will be approved by the Cabinet of Ministers, while the public administration institutions responsible for specific measures will submit information on the</p>

						<p>progress made to the Cabinet of Ministers.</p> <p><a href="https://www.em.gov.lv/lv/jaunums/mainis-pieeju-uznemejdarbibas-vides-uzlabosanai">https://www.em.gov.lv/lv/jaunums/mainis-pieeju-uznemejdarbibas-vides-uzlabosanai</a></p>
<b>ACCESS TO FINANCE</b> (including guarantee schemes, public funding programmes, support for alternative financing and equity financing, favourable legal, tax and regulatory frameworks for investments, fiscal incentives)						
Atbalsts lieliem investīciju projektiem	Support for Large Investment Projects	Ministry of Economics and Financial Development Institution ALTUM	No	Adopted by the Cabinet of Ministers	06/07/2021	<p>Support program for large investment projects (at least 10 million EUR) envisage that entrepreneurs will have access to a loan with a capital discount.</p> <p>Entrepreneurs will be able to receive a loan of up to 75% of the total project amount, but not more than 15 million EUR, if the loan will be issued by ALTUM; and without a cap if the loan is granted by another financier. The maximum amount of the capital discount for repayment of the principal amount will be up to 30% of the loan amount, but not more than 10 million EUR, which will be awarded after the first year of employment from the moment of project implementation.</p> <p>The loan will be provided for up to 20 years. Within the framework of the program, it is planned to provide support for 5-6 projects in the amount of 58.5 million EUR.</p> <p><a href="https://www.em.gov.lv/lv/jaunums/vitenbergs-ir-svarigi-sniegt-skaidru-signalu-latvijas-uznemejiem-par-pieejamo-atbalstu-lieliem-investiciju-projektiem">https://www.em.gov.lv/lv/jaunums/vitenbergs-ir-svarigi-sniegt-skaidru-signalu-latvijas-uznemejiem-par-pieejamo-atbalstu-lieliem-investiciju-projektiem</a></p>

Papildinājums Uzņēmumu aizdevumu programmai, ko īsteno ALTUM	Amendments to the Loan Program Implemented by ALTUM for the Promotion of Entrepreneurship	Ministry of Economics and Financial Development Institution ALTUM	No	Adopted by the Cabinet of Ministers	16/11/2021	<p>The loan program provides financing for investments and working capital with reduced collateral requirements. Micro-enterprises, small and medium-sized enterprises can apply for support. With the amendments to the support program an additional 32 million EUR will be made available to entrepreneurs, expanding available support to at least 125 more entrepreneurs to implement various business development projects to mitigate the negative effects of the Covid-19 pandemic.</p> <p><a href="https://www.em.gov.lv/lv/jaunums/aizdevumu-sniegsanai-uznemejiem-pieskir-papildu-32-miljonus-eur-atbalstu-vares-sanemt-ari-daudzdzivoklu-ekubuvniecibai-regionos">https://www.em.gov.lv/lv/jaunums/aizdevumu-sniegsanai-uznemejiem-pieskir-papildu-32-miljonus-eur-atbalstu-vares-sanemt-ari-daudzdzivoklu-ekubuvniecibai-regionos</a></p>
Samazināts darba nespējas dienu skaits, ko apmaksā darba devējs	Reduction of the Period of Incapacity for Work Paid by the Employer	Ministry of Welfare	No	Adopted by Saeima	23/11/2021	<p>The period of incapacity for work paid by the employer is one of the largest problems reported by companies in LV regarding their competitiveness in internal and external markets compared to other two Baltic countries. From the first time in the last 10 years, a change has been made in this regard. As of January 1, 2022, the employer shall pay sickness benefits from its own resources in the amount of not less than 75% of the average earnings for the 2nd and 3rd days of incapacity for work and not less than 80% for the period from the 4th day of incapacity for work to the 9th day of incapacity for work (currently</p>

						the 10th day of incapacity for work). <a href="https://www.lm.gov.lv/lv/jaunums/labklajibas-nozares-prioritatem-2022-gada-budzeta-planoti-34-miljoni-eiro">https://www.lm.gov.lv/lv/jaunums/labklajibas-nozares-prioritatem-2022-gada-budzeta-planoti-34-miljoni-eiro</a>
Darbspēka nodokļu samazināšana	Reduction of Labour Taxes	Ministry of Finance	No	Adopted by Saeima	23/11/2021	To reduce the labour tax burden for low-income recipients and improve the competitiveness of companies among the Baltic states Saeima adopted changes in Personal income tax law. From January 1 to June 30 2022, the personal income non-taxable minimum will be 350 euros per month, but from July 1 - 500 euros per month. Until now, the maximum non-taxable minimum with personal income tax was 300 euros per month, but for pensioners - 330 euros per month. <a href="https://www.fm.gov.lv/en/article/minister-finance-janis-reirs-submits-draft-law-budget2022-saeima">https://www.fm.gov.lv/en/article/minister-finance-janis-reirs-submits-draft-law-budget2022-saeima</a>
<b>LATE PAYMENTS</b> <i>(measures aimed at addressing late payments)</i>						
Obligāta e-rēķinu lietošana no 2025.gada	Introduction of Mandatory e-invoicing from 2025	Ministry of Finance	No	Information report adopted by the Cabinet of Ministers	12/10/2021	The report envisages the introduction of the mandatory use of electronic invoicing (e-invoicing) between businesses (B2B) and businesses and state and local government institutions (B2G) from 2025. The implementation of e-invoices will take place in accordance with the European Electronic Documents and e-Invoicing Network (PEPPOL), which allows e-invoicing to be sent and received in a single standard.
